Featured Course

My Professional Learning

This is the home page after logging in for the first time.

The screenshot shows a web browser window with the URL https://www.myprofessionallearning.com/enrolled_dashboard. The page title is "Home". The main content area is titled "Enrolled" and "Groups". Under "Courses", it states "You are not currently enrolled in any courses." There are two numbered instructions:

- 1 To enroll in a course using its access code, click Enroll and enter the access code.
- 2 To enroll via the course catalog, click Catalog, then find the course and click Enroll.

On the right side, there is an "Announcements" box showing "None". Below the main content, there is a footer with several sections: "Communications" (Help Desk, Contact, Join Our ListServ), "Policies" (Accessibility, Course Retake Policy, Course Transfer Policy, Privacy Policy, Refund Policy), "Disclaimers" (External Links and 3rd Party Providers, Terms of Use), "FAQs" (Course Payment Options, Technical Requirements, Update Account Profile), and "Legends" (Course Legend, Co-op/Services Legend, 3rd Party Providers Legend). The footer also includes social media icons for YouTube, Facebook, and Twitter, and a "Powered by R10" logo.

My Professional Learning - Catalog

- Click the **Catalog** button on the left menu to see the course categories.
- Click the **Compliance Training** tile to see the courses available in alphabetical order.

MY PROFESSIONAL LEARNING

Our My Professional Learning is a responsive, innovative education solution designed to give administrators, teachers and support staff just-in-time effective professional development. Region 10 Education Service Center provides administrators, teachers, support staff and students with professional development and services designed for improving both workplace excellence and student achievement.

Interactive courses created by our professional consultants will keep learners engaged. We also have courses developed by TEA approved education partners like CE Credits Online, Master Teacher and Stetson & Associates.

Region 10 offers online [Compliance Training Courses](#) to provide an efficient and convenient method to satisfy state and federal requirements for teachers, administrators, and other district staff. The Compliance Training Bundle includes many of the required.

[Paraprofessional Training: ParaEducator PD Now](#) offers a total of 136 online training courses for paraeducators each ranging from 40 minutes to 1 hour. Courses are available on such topics as supporting classroom instruction, accommodations and modifications.

Administration and Operations

Compliance Training

Our compliance bundle satisfies many of the state and federal requirements for teachers, administrators, and other district staff.

Index of Courses

List of all courses in alphabetical order.

The list of compliance courses will appear alphabetically. Your district will assign the courses you need to complete.

The screenshot shows a web browser window with the address bar displaying https://www.myprofessionallearning.com/class_catalog/category/44369. The page title is "Compliance Training". A sidebar on the left contains navigation links for Home, Catalog, and Users. The main content area displays a grid of course cards. Each card includes a representative image, a title, a description of the course's purpose, the CPE credit value, and the cost (\$30).

Course Title	Description	CPE Credit	Cost
Anaphylaxis and Severe Allergic Reactions 2019 - 2020	The purpose of this course is to help you understand what anaphylaxis is, learn common sources of allergies that can cause anaphylaxis (such as food allergies), how it can be prevented and how to manage anaphylactic emergencies. CPE CREDIT: 1	1	\$30
Bloodborne Pathogens 2019-2020	The purpose of this module is to educate staff professionals about Bloodborne Pathogens and Exposure Control Plans to prevent the spread of these diseases. CPE CREDIT: 1	1	\$30
Child Abuse, Sexual Abuse, and Other Maltreatment of Children	In partnership with the Dallas Children's Advocacy Center, this course teaches individuals who work with children on a daily basis about the signs and symptoms of child abuse. Professionals will learn facts about child abuse, including the factors that indicate a child is at-risk, how to recognize physical and behavioral signs of the varying forms of child abuse, as well as many other important details for reporting. References to the Dallas Children's Advocacy Center may be noted as "DCAC" in this course. CPE CREDIT: 1	1	\$30
Concussions: Everything You Need to Know 2019-2020	This course is designed to give the appropriate school personnel a thorough understanding of concussion-related matters. CPE CREDIT: 1	1	\$30
Copyright Law 2019-2020	This training discusses copyright law and "FAIR USE" guidelines in using copyrighted printed material, music, videos and software. CPE CREDIT: 1	1	\$30

Click on the course you need to take. If you are employed by a district who has purchased the compliance bundle or is a member of the Region 10 Title II Regional Shared Service co-op, you will click the **Enroll** button on the left side of the course to enroll.
