Attention Vidor ISD Parents:

Good Day!

Vidor ISD has upgraded its online payment website. Parents can now go to [www.myschoolbucks.com](http://www.myschoolbucks.com) to create new accounts, make payments and view balances.

The website is very user friendly and we feel parents will get more from this website now and in the future.

PLEASE NOTE: The new website is owned by the same company (Heartland School Solutions), but you will need to create a new account.

Vidor ISD will be removed from the Cafe Prepay website at Noon on Thursday, 1/24/2013.

All the payments made on [www.cafeprepay.com](http://www.cafeprepay.com) have been properly posted to your student's school lunch accounts.

The updated balances are view-able at [www.myschoolbucks.com](http://www.myschoolbucks.com)
