

September 11, 2020

Dear Vidor ISD supporters,

As we all know, our nation is dealing with many difficulties associated with the Covid-19 pandemic. Because of this illness, we are all making adjustments to the ways in which we associate and work with each other on a daily basis. Sacrifices are being made in the best way to keep each other safe from this illness.

With this in mind, we are announcing the postponement of the traditional Homecoming Parade for this year. With the health restrictions remaining in place, we feel the responsibility to ensure that our students and community members are safe. We do not have a date set for the parade but we will continue to monitor the situation. The Homecoming game remains scheduled for October 9 and we will have the lights out performance and fireworks. This announcement only affects the Homecoming Parade. While we know many will be disappointed, we hope that you understand the situation.

Thank you for supporting our students at Vidor ISD!

*Jay Killgo, Ed.D.*
