

# Vidor Schools Foundation, Inc. Grants-To-Teachers Application

The Grants-to-Teachers Program of the Vidor Schools Foundation provides teachers the opportunity to develop innovative, instructional projects to expand and/or enhance learning opportunities for the youths of Vidor. The grants are available to fund classroom projects that enrich student learning in all program areas. This year the Foundation will fund four to six (4-6) grants of \$500.00 each. The purpose of the grants is to provide funding for projects not funded from other sources. The Vidor Schools Foundation Scholarships and Programs Committee will select the Grant recipients. The Committee's goal is to select grant projects that are consistent with the Foundation's desire to promote quality education for the students of VISD.
