

Vidor Elementary Targeted Improvement Plan Public Meeting

You are invited to attend our public meeting on September 24, 2019 at 5 PM to give input and feedback on our plan. The meeting will be held in the library of Vidor Elementary, 400 Old Hwy 90 E., Vidor, TX 77662.

As a campus who has been identified for targeted support and improvement, Vidor Elementary must engage in intervention requirements including a targeted improvement plan. Information regarding the ratings and performance of our school can be found at www.txschools.gov.

Parents, community members, teachers, and the Campus Leadership Team have the opportunity to provide input on the campus Targeted Improvement Plan, including sharing concerns and possible solutions for improvement.

Thank you for your assistance in improving our school.
