

Vidor Independent School District

Election Pledge

In an effort to introduce more transparency into local spending and debt obligations, the Vidor Independent School District pledges to post details about the School's bond and debt information on the School's website no later than one business day after the public notice of the bond election. This information will include details about the bond package(s) up for vote and current outstanding debt obligations including bonds, certificates of obligation and other debt, and the date of the election.

The School further pledges to notify the Comptroller's office via email to Transpanency@cpa.state.tx.us when the bond election information has been posted to the School's website. The email will include a link to the bond election information.
