Dear Pirate Football Fans,

As many of you are aware COVID-19 has impacted schools/sports this year. UIL has stated that we can only hold 50 % capacity. With that being said this is the plan VISD has come up with.

This year we will not have reserve seating. If you are a season ticket holder you will have the first opportunity to purchase 4 general admission tickets per game.

As of right now we have 4 home games. This year adult tickets are \$6 and student tickets are \$4 per game. If you choose you may purchase the 4 allotted general admission tickets per game at 1 time. These tickets will be sold on **Saturday August 15th 7am-11am and 1pm-4pm only**. The tickets that are not sold on Saturday August 15th will be available for the public to purchase the week of the games.

No one will be allowed to enter the game without a ticket. If you have a district pass you will have to pick up a ticket for the game.

All fans will be required to wear masks and social distance in the stands.

Next year season tickets will go back to the way they have always been.

Thank you for your support!
